LACOMBE HOSPITAL CHARITY GOLF CLASSIC

OUR MAJOR FUNDRAISER

Even the high winds couldn't stop us from getting together on June 12, 2024 to continued a proud tradition of bringing the community together to raise the funds needed to enhance care in our community.

We are very grateful to have such dedicated community support for the work we do fundraising for health care. The Lacombe Health Trust has accomplished many things in the 30+ years since this tournament began, but none of them would have been possible without our sponsors, volunteers, and golfers.

All of you are an essential part of our fundraising efforts, and we have seen your generosity play a major role in the growth and innovation of local health care. THANK YOU, you are truly appreciated.

ABOUT US

The Lacombe Health Trust is a registered charity with a mandate to raise funds to enhance health care in our community.

Under the direction of a volunteer Board of Trustees, we seek out donations and manage their use in order to improve the Lacombe Hospital and Care Centre in particular, but also health care in general in Lacombe and the surrounding areas. We strengthen local services, promote community wellness, provide educational opportunities for health care workers, and fund essential equipment and capital projects.

MESSAGE FROM OUR BOARD CHAIR

On behalf of the Lacombe Health Trust Board of Directors, I want to express our sincere gratitude for your ongoing support over the past year. The incredible generosity shown by individuals, businesses, estates and participants at our golf tournament directly translates into improved health care. You should be very proud of the positive impact you've made on our community.

We have had another busy year as we worked with AHS on many fronts to support enhancements to health care at the Lacombe Hospital and Care Centre. As you may be aware, the ongoing renovations to improve accessibility in the patient intake area are nearing completion. I hope that you noticed the Trust's new kiosk on the north wall in the updated lobby area. The feedback from patients and staff on the improvements to the lobby and surrounding area have been very positive. We also have supported many improvements in the continuing care area and, as you can see in this annual report, funded significant equipment throughout the facility.

Building strong relationships with local physicians continues to be one of our priorities. We are blessed in Lacombe to have high quality and hard working physicians. The Trust is committed to supporting our doctors in their critical roles in our community.

We can only do what we do with your support. Once again, thank you for the significant impact you have made on the delivery of quality health care in our community.
