OUR MAJOR FUNDRAISER

Our wettest tournament yet was held on June 13, 2023 and continued its proud tradition of bringing the community together to raise the funds needed to enhance care in our community.

We are very grateful to have such dedicated community support for the work we do fundraising for health care. The Lacombe Health Trust has accomplished many things in the 30+ years since this tournament began, but none of them would have been possible without our sponsors, volunteers, and golfers.

All of you are an essential part of our fundraising efforts, and we have seen your generosity play a major role in the growth and innovation of local health care. THANK YOU, you are truly appreciated.

CONTRIBUTIONS IN REMEMBRANCE

Honour memorial and estate donations are a thoughtful way to show love, support, and recognition of a meaningful life.

We are fortunate to be the recipient of so many gifts in memory of your loved ones, and the Lacombe Health Trust is committed to being an effective steward of these monies.

We also remember and are grateful for those who made gifts to the Trust from their estates, a truly special way to support patient care and comfort at our hospital. The generosity of these donors will live on through their gifts, and we are honoured to be able to recognize their legacy on our donor wall.

ABOUT US

The Lacombe Health Trust is a registered charity with a mandate to raise funds to enhance health care in our community.

Under the direction of a volunteer Board of Trustees, we seek out donations and manage their use in order to improve the Lacombe Hospital and Care Centre in particular, but also health care in general in Lacombe and the surrounding areas. We strengthen local services, promote community wellness, provide educational opportunities for health care workers, and fund essential equipment and capital projects.

MESSAGE FROM OUR BOARD CHAIR

On behalf of the Board, I want to express our sincere gratitude for your continued support. Your incredible generosity directly translates into improved health care, and you should be proud of your positive impact on our community.

This past year has been one of both continuity and change for the Lacombe Health Trust. We're very proud of the decade-long journey that has established our Trust as a symbol of community health care advancement, and this year we have made changes to solidify that identity. You'll notice the refreshed logo and brand colours in this report, reflecting our commitment to a modern and progressive approach.

You will also soon see this new brand identity featured at the Lacombe Hospital and Care Centre. As you may be aware, we are funding the current renovations to improve flow and accessibility in the patient intake area. Once complete this fall, you'll find a dedicated Lacombe Health Trust kiosk in the hospital lobby, offering updates on our work and a convenient on-site donation drop-off point.

Building strong relationships with our local physicians has always been a priority. At their request, we purchased a digital ultrasound unit this year and were happy to also support the upgrading of their ultrasound skills. The positive feedback we've received from them about the new equipment is a testament to the impact this initiative is having.

I am delighted to welcome Dr. Ron Keller and Traci Law as new members joining our Board of Directors for the upcoming year. Their expertise and passion for health care will be invaluable assets.

Thank you once again for your incredible support. You are the backbone of the Lacombe Health Trust, and together we make a real difference in our community.
